York County Food Bank Receives a Special Donation

York, PA – The York County Food Bank recently received a donation of \$101 that was raised by two York County girls who went door to door during the snow storm on December 19th.

Spending the snowy day together, friends Anya Grunewald and Laurie Qiao decided that they wanted to help others in need and raise money for a charity. Anya asked her mother, Jada Grunewald, for some ideas and Jada named off several local non-profits, including the York County Food Bank. After visiting several websites the girls decided on the York County Food Bank. They liked the Organizations 2010 marketing campaign theme “Stick it to Hunger.”

With a goal of raising \$30, the two set out and went door to door to raise money for their local food bank. Jada Grunewald reported the girls came back in to the house on several occasions to have some hot chocolate and warm up but quickly returned to their mission.

At the end of the day, the girls had raised \$101 for their local community. They even took the time to write thank you cards to their neighbors that donated money.

Letter sent to the Food Bank from Anya & Laurie:

Dear York County Food Bank,

My name is Anya Grunewald. I live in York, Pennsylvania and I'm ten years old. My friend Laurie Qiao and I went door to door through our neighborhood during the snow storm on Saturday, December 19 to collect money for the York County Food Bank. We had a goal of \$30, but were so excited when we realized we collected \$101! We hope our donation of \$101 will help those in need this holiday season. We love your motto "Stick it to Hunger!"

Sincerely,

Anya Grunewald and Laurie Qiao

We're writing thank you cards to our neighbors for helping us exceed our goal.

This is the money we collected for those in need.

This is our Winter Wonderland board of contributions for the York County Food Bank.
